

Accordion Door

Yamanami

Creation of Human Space

 **Nichibei**

Line up

Creating separate spaces within a room, accordion doors are a smart choice for effective use of space. Our accordion doors are available in various models (e.g., Motorized, Curved Track, and Self-Standing models) and in various colors and styles (e.g., Washable, Skeleton, and Black-out series) to suit various applications.

Standard Model "Yamanami Mark II"

(Product Code ADM-O)

With a wide variety of color/style choices and optional extras available, this accordion door has great functionality as a partition, giving a pleasing look to the room. Featuring a high-precision hanger rail and runners, the accordion door can be opened and closed lightly, smoothly, and quietly.

- Fabric Color: 86 colors
- Available Size
Width: 54~400cm
Height: 61~280cm

Bottom Seal Model "Yamanami Down Seal"

(Product Code ADC-O)

The sealing material at the bottom is lowered and raised as the accordion door is closed and opened to prevent drafts and light from coming in.

Similar to outer coverings, the sealing material has a duplex structure, which helps achieve high sealing performance, and in turn improves the operational efficiency of your air conditioner/thermostat.

- Fabric Color: 76 colors
- Available Size
Width: 54~400cm
Height: 61~280cm

Can be completely hidden inside the door after raising when the door is open.

Can automatically be raised/lowered as the door opens/closes.

Attaches tightly to the floor as the door closes.

Economical Model “Yamanami Echo”

(Product Code ADE-O)

This accordion door is the right solution for those who look for functionality as a home partition and affordability. A wide variety of color/style options will allow you to achieve the look you want for your home.

- Fabric Color: 39 colors
- Available Size
Width: 54~300cm
Height: 61~240cm

Curved Track Model “Yamanami Curve”

(Product Code RADM-O)

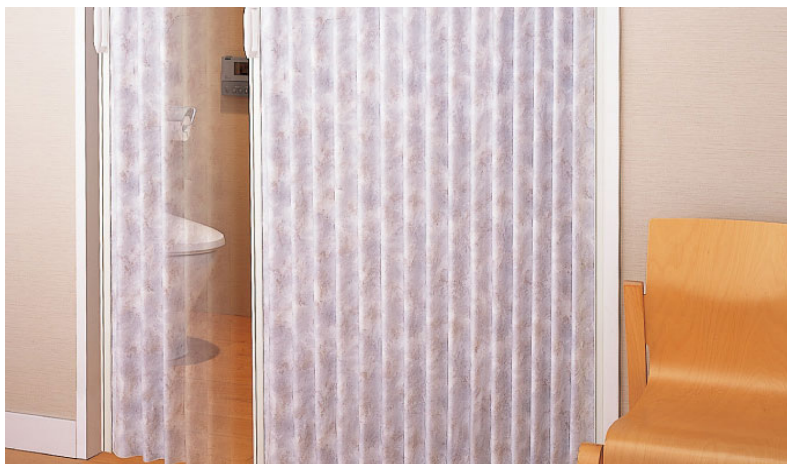

This accordion door features a curved rail, which can add a wide variety of functions—for instance, creation of a small den, a space to take care of household chores, or a walk-in closet.

- Fabric Color: 86 colors
- Available Size
Width: 54~400cm
Height: 61~280cm

Auto-Close Model “Yamanami Auto-Closure”

(Product Code ADA-O)

Featuring springs and oil brakes, the accordion door automatically closes.

This is perfect for installation in the kitchen, bathroom or other places where many people come and go.

- Fabric Color: 63 colors
- Available Size
Width: 54~140cm
Height: 61~280cm

Washable Model "Yamanami Wash"

(Product Code ADF-O)

Polyester-made fabrics which are detachable and machine-washable are used for this model.

- Fabric Color: 12 colors
- Available Size
Width: 54~200cm
Height: 61~280cm

Motorized Model "Yamanami Motorized"

(Product Code EAD)

This accordion door can be opened and closed smoothly by the simple press of a button. The perfect choice for hospitals and nursery facilities.

The accordion door can be switched to manual operation in the event of blackouts, motorization failures, and other events resulting in power loss.

- Fabric Color: 5 colors
- Available Size
Width: 100~212cm
Height: 161~280cm

Self-Standing Model "Yamanami Tidi"

(Product Code ADBN-R for Slim Type, ADB-R for Standard Type)

These self-standing room dividers flexibly create the right space at the right time.

Depending on your intended usage, such as covering a stock space behind a reception counter and dividing a room to create a meeting space, you can select from two different types: Slim and Standard.

- Fabric Color: 5 colors
- Available Size
Slim Type:
W=130 & 150cm, H=165cm
Standard Type:
W=150 & 180cm, H=165 & 180cm

Color Variation for Hanger Rail & Frame

For Yamanami Mark II, Down Seal, Curve, Auto-Closure, Wash

The hanger rail, frame, and handle—which have a significant impact on the overall look—are available in three colors: off-white (standard specification), light gray and dark brown.

Off-white
(standard specification)

Light gray

Dark brown

For Yamanami Echo

The hanger rail and frame are available in two colors: off-white (standard specification) and dark brown.

Off-white
(standard specification)

Dark brown

For Yamanami Tidi

Dark Brown only

For Yamanami Motorized

Off-white only

Fabric Collection

Type and Meaning of Signs applied to every fabric in the collection book.

	<p>means flame retardant fabric</p>		<p>means non-formaldehyde fabric</p>
	<p>means washable fabric</p>		<p>means super soil resistant fabric</p>

 防汚	means soil resistant fabric	 抗菌	means anti-bacterial fabric
 制電	means anti-static fabric	 防虫	means insect proof fabric
 遮光	means blackout fabric
